Club History

How it began

The club was chartered in 1972 having a goal of promoting the safe use of black powder guns for fun and competition. Today, we continue to keep this goal foremost. Our club is very family oriented and welcoming to new members. We celebrated our clubs 40th anniversary in 2012.

Meeting Schedule and Location

Club meetings are held the second Monday of the month at 7pm in the community room at Family Fare West Fargo

Kindred Rendezvous

As a club, we sponsor our own shoot and rendezvous each year in May. The rendezvous is a re-creation of a pre-1840 camp. That camp's purpose was to facilitate trading between the mountain man and voyagers.

There are other enthusiasts who travel to compete with us from Canada, Bemidji, Grand Forks, Perham, Valley City, Sisseton, Brookings just to name a few. Every year, competitions are held in shooting primitive targets, primitive archery, throwing hawk and knife, kids and women's events. This event is held on private land south Kindred, North Dakota.

Summer Weekly Shoot

Each Tuesday evening starting in June continuing thru September a number of members gather at our leased Georgetown site for some friendly competition, good fellowship and an excellent way to stay in practice with your muzzleloader. For our members that live outside of Fargo, a postal shoot is offered to be shot individually each Tuesday and sent in that week. All shooters compete for prizes and bragging rights that are awarded at the Fall Frolic which is held the last week-end in September.
